-----------------------	----------------

Executed statement of work required for all professional services.

All requests for free product or trade credits pursuant to this proposal must be submitted within ninety (90) calendar days from the end date of the Brocade fiscal quarter in which the registered deal was confirmed as shipped by Brocade sales representative or the right to receive such free product or credit will expire.

Note: This offer cannot be combined with any other sales programs, promotions or special discounts.

Support Term and Renewal. The initial term applicable to each Support quotation will begin (i) in the case of newly acquired Products, on the date of shipment; or (ii) in the case of previously shipped Products, on the effective date specified on Brocade's quotation, and such services shall continue through the term stated on the quotation. Thereafter, such Support will only be renewed based on Brocade's renewal quotation to Customer and receipt of Customer's corresponding purchase order. For each renewal term, Brocade may, upon thirty (30) days prior written notice before the end of any Support term, increase the yearly fees for Support, provided that such increase will not exceed the lesser of (i) Brocade's then current commercial list price, or (ii) five percent (5%) over the prior year's Support fees. To the extent that the Support has been modified (e.g., service level, duration, product mix/qty), the renewal fees will be at Brocade's then current price list. Notwithstanding the foregoing, should Brocade announce End of Life on a Product being maintained for Customer, Brocade may, at the beginning of the next Support renewal term and each year thereafter, increase the Support fee for such Product to its then current commercial Support list price.

Cancellation. Customer may cancel Support services at any time on thirty (30) days prior written notice to Brocade. In such event, Brocade shall credit any Support fees prepaid for the period after such termination, less any prepayment or multi-year discount to which Customer is no longer entitled. Notwithstanding the foregoing, unless otherwise expressly quoted by Brocade, charges applicable to a Support Account Manager ("SAM") or Onsite Engineer ("OSE") are non-refundable in the event that Support services are cancelled by Customer.
